## OVERVIEW

I am a self-taught Front-end developer interested in Junior Frontend Developer roles. I am most comfortable working with JavaScript, React and Python. Eager to be part of a company that will help me grow as a dev and play a part in building out-of-the-box solutions.

## EXPERIENCE

**Edusogno**      January 2023 – Present      Online English Teacher  
**Mentoring**

- Establishing relationships with students to ensure that they disclose cognitive difficulties that may impede their academic progress.
- Creating and presenting lessons that are congruent with students' educational needs.

**MPC**      Dec 2021 – Mar 2023      Online English Teacher  
**Connect**

- Monitoring and reporting on students' progress.
- Identifying strengths and weaknesses of students.

**AddaxZ e-Commerce**      Sept 2019 – Feb 2022      Product and Vendor Management

- Proposal to companies to partner with AddaxZ
- Liaise with third parties or companies
